

Hey there!

Welcome to your new course! I just wanted to make sure you know how everything works.

What will I get out of this course?

An excellent foundation in Scrum Master Certification Preparation for PSM II and a certificate to prove it!

How do the sections work?

In each section you will be given an overview of a particular aspect of Scrum Mastery such as Scrum Master Vs A Traditional Project Manager: An In-depth Task Comparison, Forecasting & Release Planning or an overview of the Scrum framework.

Are there quizzes?

Yes. The course contains short sharp quiz questions and practice tests to test your knowledge and make sure you are learning as you go.

At the end of the course there is a link to the official practice assessment to help you connect all the dots and prepare for your PSM II certification exam.

What if I want an accredited Scrum Master certification?

Finally, at the end of the course I give you recommended links to the recommended certification exam and practice assessment should you want to go further. You will have received an excellent foundation from this course,

So enjoy the course and I will see you along the way!

Paul.

Scrum To-do List

To update list of impediments from daily scrums, emails and other sources
